SUMMARY

WordPress Web Developer with experience in building responsive and user-friendly websites. Skilled in WordPress theme and plugin customization, page builders (Elementor, Divi, Gutenberg,) and performance optimization. Proficient in HTML, CSS, JavaScript, Bootstrap, Tailwind, and React for modern front-end development. Experienced in developing custom WordPress themes and plugins, integrating APIs, and optimizing UI/UX. Familiar with PHP and MySQL, with strong debugging and troubleshooting skills. Passionate about delivering efficient, scalable, and high-quality web solutions.

WORK EXPERIENCE

Frontend Web Developer | WebRiderz, LDH. **Nov-2025 — Present**

Worked as a Frontend Developer at WebRiderz, Ludhiana, building responsive web applications using React and Next.js while collaborating with design and development teams to create seamless user experiences.

Jr. Web Developer | Taghash Media, Mohali. **Feb-2025 — Nov-2025**

As a Web Developer at Taghash Media, I develop and maintain high-performance, responsive websites that support creative and marketing goals. I collaborate with designers, content creators, and digital strategists to deliver seamless and engaging digital experiences.

WordPress Developer | SainsSoft, LDH. **Apr-2024 — Jan-2025**

Worked as a WordPress Developer at SainsSoft, Ludhiana, where I developed 25+ websites using page builders like Divi and Elementor. Responsible for converting website designs into fully functional and responsive web pages.

Web Developer Trainee LDH. **Jan-2024 — Jun-2024**

Completed web development training, gaining hands-on experience in HTML, CSS, JavaScript, PHP, MySQL, and MongoDB. Developed a **Car Rental System** as a major project for college submission.
